++ Valid for broadcast between 1800 and 0600

Headline:
Dry and mostly sunny today. Cloudier with patchy rain tomorrow.

This Evening and Tonight:
A mostly cloudy night with outbreaks of light rain or drizzle in places, most persistent over the Cumbrian Fells. Temperatures recovering during the second half of the night. Minimum temperature 5 deg C (41 deg F).

Thursday:
It will be a rather cloudy and breezy day and despite most places remaining dry with bright spells, a few spots of rain are likely at times, particularly across Cumbria. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
A fine and warm day on Friday after the clearance of morning mist and low cloud. Some patchy light rain sinks south on Saturday with brighter conditions develop for Sunday.
